2019 BioCompute Objects Pre-Workshop Meeting Agenda

Ross Hall, Room 643, 2300 I St NW, Washington DC 20052, USA

DIRECTIONS

The meeting venue is approximately 5 miles away from National Airport (DCA). A taxi ride should take around 15 minutes. Alternatively, the metrorail blue line connects the airport and the campus (Foggy Bottom Station, in direction of Largo Town Center).

If you are driving We can provide validated parking ONLY for the following garage: University Parking Garage (in Science and Engineering Hall): Access via H Street between 22nd and 23rd Streets - in the Science and Engineering Hall. Email Amanda Bell (amandab2140@gwu.edu) in advance if you need parking validation.

Once in Ross Hall sign in at the lobby and call/email/txt Raja (mazumder@gwu.edu; 703-608-9785) or Hadley
